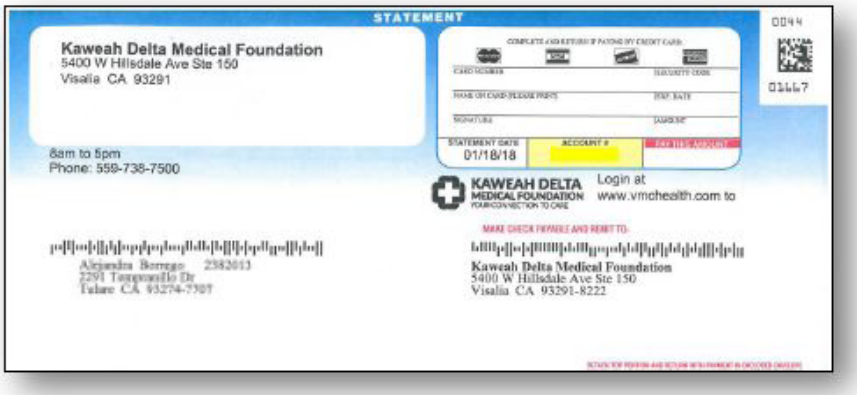
# PUBLIC NOTICE

In an effort to improve our billing process, we are adopting a new patient billing service. The process of transitioning from one system to another will force us to change the paper statements that are mailed to our patients.

Any services billed **BEFORE MARCH 1st 2018** will use the statement shown below:



Any services billed **AFTER MARCH 1st 2018** will use the new statement shown below:

For a period of time after March 1st 2018, some patients will continue to receive these **two statements,** reflecting the different dates of service. We recognize that this may be confusing and a little frustrating as we make this transition.

We value our patients above all and apologize for any inconvenience that this may cause. **Thank you for your patience.**
